Winter 2027
Instructors and Classes at the Potters' Guild

The winter term offers weekly classes which meet on Mondays for ten 3-hour sessions. The fee of $320 per term covers instruction, practice-hours, 50 pounds of clay, glaze materials, and firing. Both classes will emphasize wheel-throwing and analysis of form and surface design. All skill levels are welcome for either class!

The Monday morning class (9-noon) will be taught by local potter and GLPG member Anne Szilagyi.
The evening class (6:30-9:30 pm) will be taught by local potter and GLPG member Bill Guerin.

Please check the website for registration and class details:
